

**Congratulations to Dieruff High School junior Danny Garcia, who was selected to participate in the Pennsylvania Music Educators Association (PMEA) District 10 Chorus Festival.**

On October 23rd, high school vocal students from Berks, Carbon, Lehigh, Monroe, Northampton, Pike and Schuylkill Counties traveled to Parkland High School to audition for the PMEA District 10 Chorus Festival. Three Allentown School District vocal music students from LE Dieruff High School went through a rigorous audition process to compete for placement with the best high school vocal musicians in our area.

For the second year in a row, Danny Garcia was one of many vocal music students who auditioned and earned the place to represent the Allentown School District in the PMEA District 10 Chorus Festival, January 25 – 27, 2018, at Blue Mountain High School.

Congratulations to all three of our hard working student musicians for their dedication, preparation and excellent representation of our high school vocal music program. Thank you to Dr. Dodd for your commitment to our student musicians. Special recognition and best wishes to Danny. BRAVO!
