

## Dieruff High School Community Clean-Up Day

**Date: Saturday April 8, 2017**

**Time: 9am-2pm**

**Location: Dieruff High School Campus**

*Goal:* To create an annual community clean-up day to help beautify our campus, further instill a sense of ownership in our students of their school and to promote continued club, team and organizational collaboration.

### I. Details:

- The campus has been divided into 4 zones (see reverse side for a detailed picture)
  - Zone 1: Main Entrance/Marquee/Front Parking Lot from Cedar to Washington St.
  - Zone 2: Andre Reed Way from Irving to Jerome St.
  - Zone 3: Gym Entrance/Rear Parking Lot along Jerome St.
  - Zone 4: Cedar Street from Irving to Jerome St.
- Different clubs, teams and organizations will sign-up to take a zone
- There can be multiple groups per zone
- Groups are encouraged to partner and collaborate in the zones based on group size
- Each zone will have a “to do” list. For example, remove dead leaves or pick up litter
- Specific needs in the zones will be determined at a closer date and made available prior to the event
- Groups will work in their zones from 9-12pm
- We will break for lunch from 12-12:30pm
- From 12:30-2pm all groups will be split into two areas: the Courtyard and the Pond
  - Specific needs for the Courtyard and Pond will be developed
  - The Executive Council is working on developing an outdoor classroom in the Courtyard area
  - Clubs are encouraged to “adopt a box” in the Courtyard

### II. Needs:

- As many clubs, teams, activities and their advisors/coaches as possible to sign-up and volunteer
- Promoting the event
- “Loaner tools” like rakes, wheel barrels, shovels etc.
- Donations of things like work gloves, cases of water etc.
- Donations or connections to local landscapers for things like mulch or seeds or any of the above

### III. Questions/Suggestions

Future Questions/Suggestions
